Produced by: Louisiana State University
Baton Rouge, LA 70803

Base Map: Landsat Thematic Mapper Satellite Image 2010

Projection Information: Universal Transverse Mercator, Zone 15 North
North American Datum, 1983

Geographic Information System: Sea Grant GIS

Disclaimer: The data herein, including but not limited to geographic data, tabular data, analytical data, electronic data structures or files, are provided "as is" without warranty of any kind, either expressed or implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The entities did as to the quality and performance of the data or assumed by the user. The Louisiana Department of Wildlife and Fisheries (LDWF) and the Office of Fisheries (OF) shall not be liable for direct, indirect, incidental, consequential or special damages of any kind, including, but not limited to, loss of anticipated profits or benefits arising out of use of or reliance on the data. The OF/LDWF GIS does not accept liability for any damages or misinformation caused by inaccuracies in the data or as a result of changes in the data caused by system transfers or other transformations or conversions, nor is there responsibility assumed to maintain the data in any manner or form. These data have been developed from the best available sources. Although efforts have been made to ensure that the data are accurate and reliable, errors and variable conditions originating from physical sources used to survey the data may be reflected in the data supplied. Users must be aware of these conditions and bear responsibility for the appropriate use of the information with respect to possible errors, scale, resolution, verification, positional accuracy, developed methodology, time period, environmental and climatic conditions and other circumstances specific to these data. The user is responsible for the proper use of the data and information provided by the OF/LDWF GIS and should be familiar with the data before utilizing with the user. The user should refer to the accompanying metadata notes for a description of the data and data develop-ment procedures. Although these data have been processed successfully on computers at the OF/LDWF GIS, no guarantee, expressed or implied, is made by OF/LDWF GIS regarding the use of these data on any other system, nor does the act of distribution constitute or imply any such warranty. Distribution of these data is intended for information purposes and should not be considered authoritative for navigational, engineering, legal and other site-specific uses.
