Produced by: Louisiana State University, Baton Rouge, LA 70803

Base Map: Landsat Thematic Mapper Satellite Image 2010

Projection Information: Universal Transverse Mercator, Zone 15 North, North American Datum, 1983

Geographic Information System: Sea Grant GIS

Disclaimer: The data herein, including but not limited to geographic data, tabular data, analytical data, electronic data structures or files, are provided "as is" without warranty of any kind, either expressed or implied, or statutory, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. The entire risk as to the quality and performance of the data is assumed by the user. The Louisiana Sea Grant College Program (LSGCP), Louisiana State University (LSU), and the Louisiana Department of Wildlife and Fisheries (LDWF) will not be liable for direct, indirect, incidental, consequential or special damages of any kind, including, but not limited to, loss of anticipated profits or benefits arising out of use of or reliance on the data. The LSGCP, LSU, and LDWF does not accept liability for any damages or misrepresentation caused by inaccuracies in the data or as a result of changes to the data caused by system transfers or other transformations or occurrences. No warranties, expressed or implied, are made regarding the accuracy, reliability, completeness, currentness, or suitability for any particular purpose of the data or any portion thereof, and the LSGCP, LSU, and LDWF shall not be liable for any deficiencies, inaccuracies, or errors contained in any data. Although efforts have been made to ensure that the data are accurate and reliable, errors and variable confidence originating from physical sources used to develop the data may be reflected in the data supplied. Users must be aware of these conditions and bear responsibility for the appropriate use of the information with respect to possible errors, scale, resolution, verification, positional accuracy, developmental methodology, temporal, environmental and climatic conditions and other circumstances specific to these data. The user is responsible for the results of any application of this data for other than its intended purpose. The user shall not assert claims against the LSGCP, LSU, and LDWF arising out of the use of this data. The user should refer to the accompanying, metadata notes for a description of the data and data development procedures. Although these data have been processed successfully on computers at the LSGCP, LSU, no guarantee, expressed or implied, is made by LSGCP, LSU regarding the use of these data on any other system, nor does the act of distribution constitute or imply any such warranty. Distribution of these data is intended for information purposes and should not be considered authoritative for navigational, engineering, legal and other site-specific uses.
