The State of Louisiana has recently announced the Louisiana Wild Seafood Certification program. The only way to be certain that the seafood you buy or order is from Louisiana is to look for the logo you see above. Caught in our Gulf of Mexico or Louisiana waters, landed, processed and packed in Louisiana, Certified Louisiana Seafood is AUTHENTIC Louisiana! The best way to help your local Louisiana seafood community is to look for this logo when you buy seafood - our fishermen, dock workers, seafood processors and their families will thank you.

This certification program is being managed by the Louisiana Department of Wildlife and Fisheries. Our agents, with the help of our partner agencies, will be enforcing strict chain of custody procedures to ensure seafood bearing this logo is AUTHENTIC LOUISIANA SEAFOOD.

All participating seafood dealers and processors have received advanced training on the program guidelines, state and federal regulations, and the best quality handling and sanitation practices.
