Dear Secretary Barham:

The Department of Public Safety, Public Safety Services (PSS) supports Governor Jindal's Executive Order BJ-09-13. Each month PSS purchases approximately 600 pounds of shrimp for its cafeteria operations. Based upon the information on the packaging and information from the vendors, we purchase Louisiana shrimp exclusively. We serve shrimp dishes several times each week, and we commit to continue this practice. Unfortunately, we cannot purchase an additional amount due to limited freezer space.

Thank you for your efforts to improve our state by protecting Louisiana workers and encouraging economic development.

Sincerely,

A handwritten signature in black ink, appearing to read "Genny L. May".

Deputy Superintendent - Support
