

## **Louisiana Outdoors: A Beautiful Experience**

Lurking alligators peek over the water's edge.

Oak tree branches naturally taper the earthy ground.

Unique, mesmerizing lightening bugs fill the night sky.

Instinctive blue crabs softly slide into the muddy marshes.

Savory crawfish delight people from all over.

Incredibly high-pitched harmonious locust fills the evening air.

Appealing moss falls effortlessly from nearby trees.

Nestled bellowing bullfrogs awaken the swamp with life.

Astute brown pelicans dive deep into the gulf for food.
