LDWF WILDLIFE REHABILITATION TRAINING

www.wlf.louisiana.gov/wildlife-rehabilitation-program

The ONLY Wildlife Rehab Course recognized by LDWF

**This basic skills course is required of all applicants
that will rehabilitate wildlife in Louisiana**

Learn how to properly rehabilitate wildlife in Louisiana!

Photo by Letitia Labbie, LDWF & USFWS licensed Wildlife Rehabilitator & Educator

The Purpose...

The LDWF Rehabilitation Permit (WRP) program was created to regulate the rehabilitation of injured or orphaned wildlife.

The goal of the program is to place injured or orphaned wildlife in temporary care until they can be successfully returned to the wild.

Wildlife rehabilitation requires knowledge of wildlife behavior, habitat, diet and other species-specific needs.
