LDWF WILDLIFE REHABILITATION TRAINING

www.wlf.louisiana.gov/wildlife-rehabilitation-program

The ONLY Wildlife Rehab Course recognized by LDWF

This basic skills course is required of all applicants that will
rehabilitate wildlife in Louisiana

Learn how to properly rehabilitate wildlife in Louisiana!

The purpose...

The Louisiana Department of Wildlife & Fisheries Wildlife Rehabilitation Permit (WRP) program was created to regulate the rehabilitation of injured or orphaned wildlife.

The goal of the program is to place injured or orphaned wildlife in temporary care until they can be successfully returned to the wild.

Wildlife rehabilitation requires knowledge of wildlife behavior, habitat, diet, and other species-specific needs.
