Conservation Pledge

I give my
pledge as an American
to save and faithfully to
defend from waste the
natural resources of
my country—its soil
and minerals, its
forests, waters
and wildlife

*Published Bi-Monthly
in the interest of conser-
vation of Louisiana's nat-
ural resources by the
Wild Life and Fisheries
Commission, Peabody
Hall, Capitol Station,
Baton Rouge, Louisiana

Louisiana has made great strides in its program of restocking areas where deer populations were low or nonexistent. In 1948 the trapping and transplanting of deer was a slow process, but today the Commission employs the use of airplanes, fast boats and even helicopters in its endeavor to furnish more game and sport for outdoorsmen in all parts of the State.
