

July 28-30, 2011 Chapter Sponsor Form

Leopold Education Project National Conference – *Aldo Leopold's Land Ethic: Then and Now* *Discovering the Past, Creating Our Future* **BOSQUE SCHOOL, ALBUQUERQUE, NM**

Pheasants Forever and Quail Forever chapters are encouraged to sponsor scholarships to attend the 2011 National Leopold Education Project's Conference in picturesque Albuquerque, New Mexico. LEP is teaming up with many partners including the US Forest Service to bring attendees to the very place where Aldo Leopold began his conservation career. Individuals needing sponsorships could be PF & QF chapter members and others in your community such as local educators-both formal & non-formal, scout and 4-H leaders, park rangers and natural resource professionals. This year we are offering special programs which will provide training and activities chapters can use with youth and families in their communities as well as habitat and resource management ideas and techniques that could be applied back home! The LEP will also accept contributions that can be applied toward meals, guest speakers and special events that will make this year's conference our best yet!
