

**NASA Regional Application Center (RAC) / UL Lafayette &  
The Louisiana Geographic Information Center (LAGIC)**

**Present a Series of ArcGIS v. 10 Training Workshops**

Interested in adding increased efficiency - and professionalism to your GIS efforts? LAGIC presents a series of three ArcGIS v. 10 training workshops, taught by our certified ESRI Trainer. This training is designed specifically for all levels of GIS users to hone in and refine their Mapping & GIS skills. All training includes ESRI certified materials, booklets, certificates, and 60 days ArcGIS evaluation software.
