

NASA Regional Application Center (RAC) / UL Lafayette & The Louisiana Geographic Information Center (LAGIC)

Present Working with ArcGIS Spatial Analyst 9.3 Training Workshop

Interested in adding increased efficiency - and professionalism to your GIS efforts? LAGIC presents a three day ArcGIS Spatial Analyst training workshop, taught by our certified ESRI Trainer. This training is designed specifically for advanced GIS users to conduct sophisticated spatial analyses and create spatial models. All training includes ESRI certified materials, booklets, certificates, and 60 days ArcGIS 9.3 evaluation software.
