

Dads & Daughters: Discovering Coastal Water Science

How would you like to spend February 16th exploring the coastal environments of Terrebonne Parish?

The Coastal Waters Consortium (cwc.lumcon.edu) & LUMCON are hosting a 1-day dad & daughter workshop to learn about our estuary & recent research contributed towards the immediate & future impacts of the 2010 Deepwater Horizon oil spill. Event funding provided by the Gulf of Mexico Research Initiative.

Event Details:

-  **Date:** 2/16/2013
-  **Time:** 9am-3:30pm (LUNCH is provided)
-  **Location:** DeFelice Marine Center, Cocodrie, LA
-  **Eligibility:** Dad & daughter pairs. Daughters must be 12-18 yrs
-  **Cost:** \$15/pair (non-refundable)
-  **Registration Deadline:** **February 4, 2013**

Event Highlights:

This event features lab activities and content designed to discover the intricacies of our fragile environment that is impacted by human influence. There will be:

-  paddling trip in the salt marsh
-  hands-on lab activities
-  tour of the DeFelice Marine Center
-  presentation explaining the oil spill research efforts in the Gulf of Mexico
-  and much more
