

LOUISIANA MASTER NATURALIST PROGRAM

Follow in the footsteps of John James Audubon, Caroline Dormon, Percy Viosca... Become a Louisiana Master Naturalist!

The **Louisiana Master Naturalist Program of Greater New Orleans** exists to advance awareness, understanding, and stewardship of the natural environment of the GNO area by developing a corps of well-informed citizen volunteers dedicated to conservation education and service within their communities.

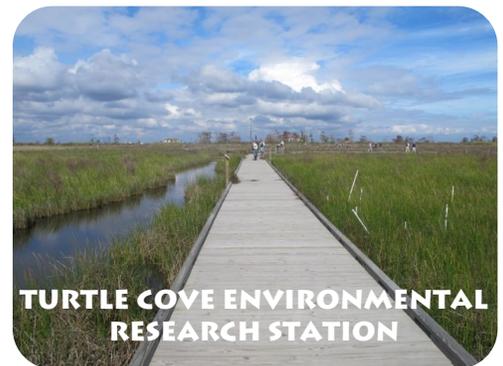

SPRING 2013
UP TO 9 DAYLONG
CLASSES + EXCITING
FIELD TRIPS

(DATES HAVE NOT YET BEEN SET - TO BE DETERMINED)

COST: around \$200, all educational materials provided
You provide your own transportation, meals, and gear

To become a certified Louisiana Master Naturalist, a participant must fulfill the following:
- 40-hour training program of field and classroom instruction
- 40 hours of approved volunteer service per year upon training completion
- 8 hours of advanced training required per year upon training completion
- \$25 yearly membership dues

BENEFITS OF BECOMING A LOUISIANA MASTER NATURALIST:

- Become part of a network of people passionate about Louisiana's natural history
- Understand the interconnections among our flora and fauna and the well-being of our ecosystems, economic foundation, and cultural community
