

PERMIT APPLICATION

Permit # 964 (Assigned by Department)

The Louisiana Department of Wildlife and Fisheries' Scenic Rivers program is authorized by LRS title 56, Chapter 9 Part II. This law requires permits authorizing activities in or affecting rivers that have been designated by the Louisiana Legislature as Natural and Scenic. Information provided on this form will be used in evaluating the application for a permit. Information in this application is made a matter of public record through issuance of a public notice. Disclosure of the information requested is voluntary, however, the data requested is necessary in order to communicate with the applicant and to evaluate the permit application. If necessary information is not provided, the permit application cannot be processed nor can a permit be issued.

APPLICANT INFORMATION

Name of Applicant	<u>Michael Bopp</u>	Name of Agent (if any)	
Address	<u>309 W 15TH AVE</u>	Address	
City, State, Zip	<u>COV. LA 70433</u>	City, State, Zip	
Phone	<u>504-812-2069</u>	Phone

DEPARTMENT OF WILDLIFE AND FISHERIES

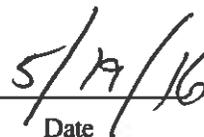

ROBERT J. BARHAM
SECRETARY

Dear Scenic River Permit Applicant:

Please review and concur on the following statement regarding the issuance of permits by the Louisiana Department of Wildlife and Fisheries. This agreement must be signed and returned before a Scenic River Permit can be issued.

"I have been advised and do understand that by applying for and accepting a Scenic Rivers permit issued by the Louisiana Department of Wildlife and Fisheries, I am being allowed to engage in an activity which would otherwise be prohibited by law or for which a permit is required. I understand that the permit is not a license and confers no property right upon me. I specifically agree to abide by all State and Federal fish and wildlife laws and regulations, and all State and Federal laws and regulations which relate to this permit or the permitted activity, and by all other terms and conditions of this permit. I understand that the permit for which I am applying may be suspended, annulled, withdrawn or revoked and that I may be assessed civil penalties, all in accordance with the provision of the Louisiana Administrative Procedure Act, and that I may be denied future permits as a consequence of my failure to fully and completely comply with the terms and conditions of the permit, as well as other laws and regulations pertinent thereto. If served with or notified of a cease and desist order signed by the Scenic Rivers Administrator, I agree to immediately and without delay cease all activities and operations which relate to the permitted activity or which are impacting the Scenic River, until such time as the matter can be resolved in an adjudicatory hearing pursuant to the Louisiana Administrative Procedure Act. I understand and agree that any permit issued to me by the Louisiana Department of Wildlife and Fisheries is in the nature of a privilege which is being voluntarily extended to me by the Department and the failure on my part to cooperate with the Department can result in the loss of the privilege conferred and the denial of future requests for permits. By accepting this permit, I evidence my agreement to be bound by all conditions and stipulations set forth herein."

V. Environmental Assessment

The proposed construction of a residential home on the Mile Branch River will serve to produce only a positive impact by aesthetic upgrades to the property, with no negative impacts for the intended use.

1. Existing land use: This is an empty residential lot, positive impact.
2. Wilderness Qualities: There will be no effect as to the site has been previously clear for residential construction; in addition, no additional dredging or excavation of existing wilderness.
3. Scenic Values: The lot will be used for a home in which most of the lots surrounding the proposed project have homes as well as upgrades to the aesthetics will improve scenic value.
4. Ecological Regimes: No dredging or excavation is required therefore no environmental impact from the construction of the proposed project; in addition, house set-back lines follow all local, state, and federal guidelines, no impact.
5. Recreational Use/Opportunities: Residential lot. no effect.
6. Aesthetic Values: Will serve to further beautify river area with a new home and landscaping, positive impact.
7. Fish and Other Aquatic Life: No effect.
8. Wildlife: No effect.
9. Historical and Archaeological Resources: No Effect
10. Geological Resources: No effect.
11. Botanical Resources (Vegetation): No effect.
12. Water Quality and Quantity: No effect. The property will be tied into the community sewer system with no drain off into the river.
13. Hydrologic Features: No effect.
14. Cultural Resources: No effect.
15. Economic Impact of Project: Effect of employing local crews to construct a residence and landscape, positive impact.

VI. Statement of Compliance History

I, Michael Bopp, have never been in violation of the Scenic Rivers Act in Louisiana or any other states in the United States of America.

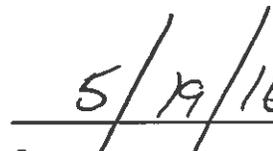

Michael Bopp

Date

VII. Steps to minimize and/or offset potential impact to river:

1. No negative impact to the river should occur as the lot has been cleared for residential construction.
2. Property site will be kept clean and free of debris during the construction process, making sure that no materials or debris will enter the river. Onsite dumpsters will be used as well as continuously emptied.
3. All proper guidelines and set-back requirements have been observed in accordance with the WLF Scenic River Requirements, the Corp of Engineers, local and parish requirements.

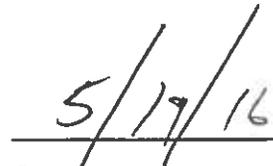

Michael Bopp

Date

VIII. Evaluation of Project Alternatives:

1. There are no alternatives to the proposed project this property was designed and sold as a residential lot. The new construction will further serve to increase the aesthetic of the surrounding areas.
