INTRO TO FISHING

The Louisiana Department of Wildlife and Fisheries invites you to join us for Intro to Fishing, the first in an exciting new series of fishing education courses! This 2-hour course will be geared towards both beginners and rusty anglers 18 & older looking to gain enough knowledge to confidently fish on their own. Participants will learn core fishing skills including simple but versatile rigging, bait, and gear selection, followed by an hour of fishing with LDWF staff.

Sign up online at:
