QUALIFICATIONS TO APPLY FOR THE BEYOND BOW FLOY McELROY WMA DEER HUNT

PRE-REQUISITE:

You must have taken the Firearms and Firearm Safety course at a previous BOW or taken the Hunter Certification Course offered by the state. Additionally, you must have taken the Bucks and Does course (once called Intro To Deer Hunting) at a previous BOW or Mini BOW.

This deer hunt is for Novice Deer Hunters Only. You must also meet the below novice requirements to apply for this hunt.

The Beyond BOW deer hunts are intended to introduce and teach novices about deer hunting. For that reason, experienced deer hunters and participants that have attended a previous Louisiana BBOW deer hunt and while on this BBOW hunt either shot at or harvested a deer are ineligible to apply. For purposes of eligibility for these hunts, a novice deer hunter is defined as: *a person who has harvested no more than 2 deer and/or other big game animal (elk, antelope, bear, moose, etc.) in their lifetime.* All applicants must certify that they are a novice deer hunter or a novice deer hunter that meets the criteria stated while attending a BBOW by signing the statement below.

As I apply for the Beyond BOW Deer Hunt I certify that I am a novice deer hunter as defined in the paragraph above and/or I am a novice deer hunter that meets the above mentioned criteria while deer hunting at a La BBOW workshop. I understand that if I am found in breach of this agreement my application will be voided and paid workshop fees will be forfeited.
