

HOW TO HAVE YOUR DEER TESTED FOR CHRONIC WASTING DISEASE

ALWAYS WEAR GLOVES AND PROTECTIVE EYEWEAR WHEN CLEANING GAME AND COLLECTING SAMPLES

- Please record the GPS location of where the deer was harvested.
- To submit a deer head for CWD testing, remove the head about 5 inches below the ear.
- Deer heads may be caped with antlers and skull cap removed.
- **DO NOT FREEZE** - Samples should be refrigerated or saved on ice.

HOW CAN I HAVE MY DEER TESTED FOR CWD?

LDWF has teamed up with LSU to provide convenient sample processing opportunities for the public.

- Step 1.** Click on the 'Test my Deer for CWD' button at www.wlf.louisiana.gov//page/cwd-testing, provide the requested information, and pay the processing fee.
- Step 2.** You will receive an email with the Chronic Wasting Disease Testing Request form and an email receipt for your payment. Bring these forms and your deer head to one of the sampling locations below.
- Step 3.** Upon drop off of your sample you will be given a sample ID number. Use your sample ID number to search the CWD results database to view the status and results. Visit www.wlf.louisiana.gov/page/chronic-wasting-disease-test-results to search the CWD results database.
