

Seismic Public Meeting Notice

To the Citizens of Delhi, LA, and the Landowners of Eastern Richland Parish and Northern Franklin Parish, LA.

Denbury Onshore, LLC will be conducting seismic activity in and around the Town of Delhi, LA. The survey will start at Waverly, LA, run westward along Hwy 80 and I-20 through Delhi. From Delhi, the survey runs toward the Dunn community, then turns SW into Franklin Parish, and follows Big Creek and Hwy 132 for approximately 12 miles from Delhi.

Seismic activity consists of deploying seismic receivers along roads and across-country, introducing energy into the ground via vibroseis, and infilling with traditional source points. The data will be collected and used by Denbury geoscientists to manage the Delhi Field Unit more effectively.

The survey is anticipated to begin in late March 2026 and, subject to weather & crew availability, could last until August 2026.

To provide the public with additional information regarding the seismic survey, Denbury Onshore, LLC, and LDWF will hold a public meeting at 6:00 pm on March 16, 2026. The meeting will be held at the Delhi Civic Center, located at 231 Denver St, Delhi, LA 71232.

For additional details pertaining to the seismic survey prior to the public meeting, contact Gary W. Stewart at 601-757-3009.

An outline of the seismic project showing the potential area affected is available at wlf.louisiana.gov/page/seismic-exploration-permits under *Current Public Notices*. Any public comments should be submitted to Joe Maryman at jmaryman@wlf.la.gov.
