Public Hearing - Substantive Change to Notice of Intent
Menhaden Season
(LAC 76:VII.307)

The Department of Wildlife and Fisheries (Department) and the Wildlife and Fisheries Commission (Commission) published a Notice of Intent to amend its rules in the October 20, 2021 edition of the Louisiana Register. The Commission proposes to amend the original Notice of Intent to eliminate a ¼ mile buffer zone proposed to originate from the line known as the "Double Rig Line" (as defined in the rule being amended) within the areas of Breton and Chandeleur Sounds, in which no commercial menhaden fishing would be allowed. These changes are being made based upon public comment originally heard during the regular October 7, 2021 Commission meeting and were not incorporated at that meeting.
